Please note that Contractors will not be awarded contracts through the Program until evidence of appropriate licenses, EPA 8-Hour Lead-Safe Renovator's Certification, Home Improvement Registration, and a Certificate of Insurance is provided. The following insurance is required: Public Liability and Property Damage Insurance in an amount not less than \$500,000 for injuries, including accidental death to each person, and subject to the same limit for each person in an amount not less than \$1,000,000 on account of each accident and Property Damage Insurance in an amount not less than \$250,000 per accident and \$500,000 aggregate.

The General Contractor shall maintain, during the life of this Contract, Worker's Compensation Insurance for all of his employees engaged in work under this Contract and, in case any such work is sublet, the General Contractor shall ensure that the subcontractor and all his employees engaged in such work are covered by a Worker's Compensation Policy. The intent of these requirements is to ensure that all persons who can be insured and are engaged in work under this contract are covered by a Worker's Compensation policy. Any employment or subcontract arrangement which leaves a worker unprotected is not acceptable under the terms of this contract.

The Baldwinville Housing Rehabilitation Program reserves the right to exclude contractors from participating in the Program for any reason.
