ARTICLE 7 CITIZEN’S PETITION: SEX OFFENDER RESIDENCY RESTRICTIONS

The purpose of this bylaw is to see of the Town of Templeton will add a level 2 and 3 sex offender residency restriction bylaw to existing bylaws.

Section 1. Determinations, Intent and Historical context

The purpose and intent of this By-law is in keeping with the understanding that sex offenders classified as level 2 or 3 pose a moderate to high risk of re-offense. By imposing guidelines on potential residents and sex offenders, this By-law promotes transparency throughout the community and acknowledges that those who are at highest risk are children, the elderly, and the disabled.

The purpose and intent of this By-law is to mitigate any potential risk of harm to those who may be the most likely to be victimized by deterring the movement to the locations of potential victims of those who present the greatest risk.

The Massachusetts sex offender registry law was first enacted in 1996. After a series of 5 cases at the Supreme Judicial Court level (Doe v. Attorney General (s), 1997, 1997, 1997, 1998, 1999), it was determined by the state legislature that the law should be amended to reflect the rulings. In 1999 the Massachusetts state legislature amended the states sex offender registry to reflect the due process issues presented in the preceding 5 cases and creating the process that we find today being utilized. This process has emerged unchanged over the preceding decade despite numerous legal challenges due to the changes made in 1999.

This By-law is presented with the careful consideration given to the important and difficult process of classification of Sex offenders. The process is found under Massachusetts General Laws chapter 6 § 178 as well as 803 C.M.R. 1.00. The procedural system that is currently in place is the result of numerous legal challenges and legislative amendments. It includes a 5 step process to satisfy due process checks and balances. The process of registration is one that begins with a written pre- registration, then, includes a board recommended classification which the offender may accept or request a full administrative hearing on, and ultimately a right to appeal said hearing result to Superior Court for judicial review. It is with these numerous safeguards and due process opportunities in place that this By-law is enacted.

This By-law hereby incorporates by reference the definitions set forth in Massachusetts General Laws chapter 6 § 178C as well as 803 C.M.R. 1.03 where applicable.
